Holidays Commercially Considered.

"On earth peace, good will toward men." This is the keynote of Christmastide—sounded by the angelic choir, which ushered in its first festivities; echoed and re echoed pure, clear and certain down through the centuries to the present year of our Lord eighteen hundred and ninety. But alas! how independent of the heavenly keynote are the members of the earthly choir, who are supposed to follow the theme of the celestial music. One, from another sphere, who had not attended the rehearsals, ... upon the ... editors and preachers for information, would suppose that "good will" represented fact, not fancy; that peace made perfect harmony in the souls of Christendom at this season of the year. Sentimental rhapsodizing and determined ignoring of the actual is epidemic.

Now the plain truth is that fashion has in some places captured Christmas. Take the matter of presents, for example. It was and is most natural that good will should exhibit itself in the giving of gifts. The pleasure experienced from the feelings is in some mysterious way multiplied by their outward manifestation; so it comes about that under certain circumstances it is more blessed to give than to receive. Therefore when the Christmas gift is the exhibition of the goodwill of him who has abundance to him who lacks; of the employer to the faithful employe; of the servant to the kind-hearted and considerate master; of parent, child, friend or lover, then indeed comes the blessing and a peace exquisite and unalloyed. But no one supposes that giving brings peace to the unwilling giver. So we find that the presents having exceeded in number or value those prompted by goodwill alone, and representing a tax levied by a tyrant custom, turn the Christmastide into a nightmare, where anxiety, exhaustion and suppressed rebellion hold fast by turn the wretched sufferer.

Far be it from us to utter even one word against the custom of Christmas gifts: it is honored by time and blessed by the Church; it strikes a chord of approval in every generous nature; it brings joy and gladness into the homes of Christendom. But we protest against the Devil being allowed to manipulate the market originally established by the Church for the interchange of the noblest sentiments of the soul. The sure sign of this is the introduction of the *quid pro quo* element into the transaction. There is too much sad truth in the joking definition by a daily paper of a Christmas present, as something we do not want returned by something we cannot afford. How can the Christmas of any one be made merry by the receipt of a gift which represents useless and undesired sacrifice? Yet hundreds of hard-earned and hard-to-be-spared dollars are spent every year for undesired gifts which do not represent so many cents to their recipients.

A Christmas present it would seem should be a token of sure goodwill, not representing sacrifice by the giver unless there be need on the part of the receiver.

HERE AND THERE.

This week it is proper to introduce all newspaper articles in this fashion—"Christmas has come and gone and we trust our readers," etc.

Now, the Here and There column doesn't pretend to do everything that is proper. Not many pocketbooks are unaware that something has happened, (probably Christmas) and as to "trusting our readers," the financial part of the CITIZEN's problem is left for someone else to struggle with.

As regards Christmas, however, our town took a new departure. The beautiful custom of morning service on Christmas Day has always prevailed among Episcopalians, but theirs is the only church which opens its doors to the many who feel a desire to worship.

This year a short service was held Thursday morning in the Glen Ridge Church. Appropriate scripture passages were read from the desk and responsively. Mr. Goodwin delivered a brief address on the worship of the wise men, and Miss Ffrang sang a soprano solo. A fair attendance proved that some at least are willing to make the great feast a Holy Day as well as a holiday.

The article in the editorial column of last week ought really to have had "continued in our next" underneath, for the Westminster Fair was disposed of more summarily that it deserved. Only Tuesday night's success could be spoken of, and perhaps it was just as well, for Wednesday gave those interested in the fair a fine specimen of what Bloomfielders call "regular Westminster weather." It rained as if the prophet had commanded, and few ventured out. Everyone inside attempted to look cheerful, and the few purchasers, nearly all "children under ten," were most welcome. It was therefore decided to keep the fair open on Thursday, both afternoon and evening. A very good attendance that day cleared the booths literally of every salable article, and the ladies tell us there is nothing to be "carried over." A large brass piano lamp, the gift of Mr. Arthur Pancoast was sold at auction.

The amount taken in was nearly $1700, and the expenses between $400 and $500. The money belongs to the ladies' fund, and will be spent for carpet and cushions.

The engagement is announced of Mr. William Dodd, the son of Judge Amzi Dodd, to Miss Johnson of Oswego, N. Y.

And the Here and There, whose ears are always open for such whispers can also state that the engagement of Mr. Spencer Smith to Miss Emma Young of Montclair is announced.

The Fortnightly, concerning whose doings little has been said lately, has elected new officers to fill the vacancies left by the resignation of the previous ones. Dr. J. E. Wilson succeeds Mr. Clark as President, Miss Duffield has been appointed Secretary, and those elected Directors are Mr. W. F. Upson, Mr. Clark and Mr. H. M. Barrett.

Township Contracts.

"The whole truth of the matter is, these contractors play with us." The above is a portion of the remarks made by Mr. Jepson, of the East Orange Township Committee, during a discussion regarding the failure of the various contractors to carry out their contract in the number of days specified by the committee when the men accept the contract.

It seems that Mr. O'Rourke, a contractor, was awarded a contract on August 11th 1890, to grade and macadamize Grove place. It was stipulated in the contract that the work was to be completed within a limit of forty-five days, or on October 1st. Since that time eighty-two days had passed and now the road was not even in a passable condition. The contract provides that if the contractors fail to complete their work in a specified time the Township Committee shall take the work from them and have it completed by other means, and collect the costs from the bondsmen that every contractor is obliged to secure for the faithful performance of his work. Notwithstanding this, it was stated that every contract that has been made in the past three years is to-day entirely settled up.

The above is right in line with a discussion which took place at the last meeting of the Township Committee of this town and a similar sentiment was expressed. There seems to be a disposition on the part of contractors for public work to presume on the leniency of public officials. This is wrong and it will be pleasing news to tax-payers to know that our own Township Committee does not propose to tolerate negligence.

Electric Bitters.

This remedy is becoming so well known and so popular as to need no special mention. All who have used Electric Bitters sing the same song of praise.—A purer medicine does not exist and it is guaranteed to do all that is claimed. Electric Bitters will cure all diseases of the Liver and Kidneys, will remove Pimples, Boils, Salt Rheum and other affections caused by impure blood.—Will drive Malaria from the system and prevent as well as cure all Malarial fevers. For cure of Headache, Constipation and Indigestion try Electric Bitters—Entire satisfaction guaranteed, or money refunded.—Price 50 cents and $1.00 per bottle at GEO. M. WOOD'S Drugstore.

The effect of the new election law on the methods of conducting township elections, is a growing topic of conversation as the time for holding the spring election approaches. Local politicians seem to hold conflicting views with regard to it. It is asserted on one hand that the same conditions of the law apply to the election of township officers as to an assemblyman; while, on the other hand it is contended that no material change is made over the old method of conducting this election with the exception of requiring the registry of the voters and the management of the polls by the Board of Registry and Election. A member of the County Board of Registry speaking on the subject says, that independent candidates for township offices do not have to petition to have their names on a ballot, and there is the same freedom allowed in making up tickets as heretofore.

The Trenton Times says the messengers in that city who simply walked to the Capitol and filed the returns of the constitutional amendment election, were paid $3 each by the County Freeholders.

"O, ah, let me see, what do you give for a cold on the chest?" asked Jones, in a sort of indifferent tone, of a doctor with whom he was slightly acquainted, as he met him on the street. "Advice," was the laconic reply. So do we. We advise you not to neglect that hacking cough and drowsy feeling, the coated tongue, the failing appetite, the indigestion and general lassitude and debility that "tired feeling," as so many express it. Take Dr. Pierce's Golden Medical Discovery, in time, and it will not disappoint. It is not only the most wonderful alterative, or blood-cleanser, known to medical science, but also possesses a nerve-nutritive and tonic or strength-giving properties. For Bronchial, Throat and Lung Diseases, accompanied with lingering coughs, the "Golden Medical Discovery" is absolutely unequaled as a remedy.

For Weak Lungs, Spitting of Blood, Short Breath, Consumptive Night-sweats, and kindred affections, it surpasses all other medicines. It's the only lung remedy, sold by druggists, guaranteed to benefit or cure, in every case, or money refunded.

$500 OFFERED for an incurable case of Catarrh in the Head, by the proprietors of Dr. Sage's Catarrh Remedy. By its mild, soothing and healing properties, it cures the worst cases, no matter of how long standing. Only 50 cents. Sold by druggists everywhere.

H. H. Biddulph the coal dealer is distributing a handsome calendar.

The Consolidated Safety Pin Co. present of a box of candy to each one of their employees, on Christmas Eve, December 24th.

Miss Ida Florus of Bloomfield, and Louis G. Stager of Franklin, were married on Wednesday evening, by the Rev. A. M. Palmer, Pastor of the Franklin M. E. Church.

A Newark wholesale dealer in beef in conversation on the price paid by retail dealers for meat stated that R. E. Heckel of Bloomfield paid a higher price for his meat than any other Bloomfield dealer as he always had to have the best in the market.

The opinion has been expressed that if the legislature should repeal the Act of 1872 creating a commission to lay out streets in Bloomfield the matter would have to be carried to the court of chancery for final determination on account of vested rights involved.

Mr. George Petersen, of Pelouhet St. his wife and daughter ran a very narrow escape from suffocation by coal gas last Saturday night. The room was warm and a member of the family opened the stove door and neglected to open the damper. The gas from the stove rendered them all violently ill.

Rev. Henry C. Seibert of the German Presbyterian Church wears a gown in the pulpit. This is not a novelty in the German churches. The custom is being introduced into the English speaking churches. Dr. Frazer of the First Presbyterian Church of Newark has adopted the habit.

The Montclair Town Committee expect to effect a compromise with the Bloomfield Committee on the question of Mr. Geo. H. Inness Jrs. residence. Mr. Inness himself is of the opinion that the court will have to adjust the matter. This latter is no doubt the wisest course. A compromise would only be a temporary make shift and prove unsatisfactory in the end.

We learn that among other selections there will be sung to-morrow by the choir at the Old Church the following: Te Deum, in G., Thomas; Anthem, The Word was Made Flesh, Allen; Brightest and Best, Dudley Buck; Offertory Solo, I bring you Good Tidings; Let us now go even unto Bethlehem, J. Hopkins; Carol, There was sound of holy voices, Jos. Thos. Cooper.

The returning season of snow and ice should remind our citizens of the necessary duty of properly clearing off their sidewalks, and of putting sand, sawdust or ashes upon any slippery places to prevent accidents. Humanity, not to say Christianity, dictates this as part of the "Golden Rule," and its practice may save serious consequences, especially to the aged and infirm.

A railway guide and handbook of general information relating to our town is the title of a compact little book compiled by the enterprising coal dealers, Messrs. Gilbert & Taylor. It contains the steam and street railway, time tables, postal time tables, church and lodge directory, and street guide together with other interesting and useful information. It is gotten up for free distribution. Be sure and get one, it will prove a valuable pocket reference.

The Committee on Legal Questions of the Board of Freeholders met and considered the matter of disorderly persons committed to the county jail and penitentiary by Justices of the Peace in the townships. In such cases, if, after being in custody, these persons pay their fine and are released, the township or city take the money. It was decided to refer the matter to County Counsel Stevens to see if some provision could not be made to reimburse the county for maintaining such people during the time they are in jail.

The committee of gentlemen having in charge the arrangements for this year's Charity Ball have decided to give the affair on Monday night, January 12th, at the Montclair Club Hall. The price of tickets will be the same as in the past, i. e. $3.00 each, including supper. Tickets can be purchased only from the Patronesses or Ball Committee. The supper will be served by Davis at small tables, and the "Menu" will be as elaborate as it was last year. The music will be furnished by Issler, and the decorations will be entirely new and supplied by Purdue or Pluder. The fact of there being no Assemblies this year will no doubt augment considerably to the usual attendance at Charity Ball with a corresponding increase to the fund for the charities benefitted. The Patronesses representing Bloomfield, Glen Ridge and East Orange will be Mrs. G. W. Berrian, Mrs. C. F. Harrison, Mrs. J. C. Mott, Mrs. J. W. Stewart and Mrs. J. E. Wilson.

Christmas in the Sunday Schools.

The Watsessing M. E. Church Sunday-school held their Christmas celebration on Christmas night. A Christmas cantata was sung by the children. Santa Claus was present and gifts were distributed to the children and teachers.

The Baptist Church Sunday-school held their Christmas exercises on Christmas eve. There was a large attendance. Singing and recitations by the children formed part of the programme of the evening. Gifts were distributed to the scholars and teachers.

The holiday bazaar held in Union Hall on Monday, Tuesday and Wednesday evenings of this week, under the auspices of the ladies of the church of the Sacred Heart was very successful. A good sum was realized towards the building fund. The voting contest for a ladies gold watch was decided in favor of Miss Ellen Graham.

The Park M. E. Church Sunday-school held their Christmas festivities on Christmas Eve. The exercises were of a musical character. Candy and fruit was distributed among the children. Handsome presents were also given to the scholars and teachers.

There was a very large attendance at the Christmas Mass at the Church of the Sacred Heart on Christmas morning. Lejeal's fourth Mass was sung by the choir and was very effectively rendered.

The German Presbyterian Church on Park avenue was filled on Christmas night at the Christmas entertainment of the Sunday-school. A cantata, with stereopticon views was something new for his Church and enjoyed by all. Messrs. Jensen and Miller of the Seminary, rendered several selections on the Zither and violin. The tree was lighted and the children presented by Santa Claus with candy, oranges and nuts.

East Orange it is thought will be the first among the Essex County townships to be annexed to Newark. The individuality of the townships is a serious impediment in the way of corporation schemes. The absorption of the townships by the city will further the progress of railway and other corporation plans.

"The Song of the Passaic" is the title of a beautiful little gift book just issued by Mr. John H. MacNab, a resident of Orange, whose love of the Passaic has led him to explore it and enjoy its beauties from its source to its mouth. The book is profusely illustrated with handsome cuts reproduced from photographs, and the scenes are recognized by all who are at all familiar with the river. In addition to the pictures and accompanying verse, the book contains an accurate map of the river and terse descriptions of it.

It is not at all likely that the parties who are carrying on the vigorous discussion of the Transubstantiation question will settle that theological problem to the satisfaction of the Christian world. There is, however, no doubt that a great deal of thought and research is expended in the preparation of the articles on both sides. We commend them to the thoughtful attention of our readers.

Glen Ridge Notes.

The Glen Ridge Original made its second appearance on Thursday of this week.

The engagement of Miss Eva F. Ronget to a gentleman in Brooklyn has been announced.

The Episcopalians have for the present given up the idea of a new church. The number seems too small to warrant building yet and it would be a great strain on the few. Mayhap the Bloomfield Church will alter its decision. What a pity it won't come half way. Though G. R. is indebted to Bloomfield by Westminster Church not coming half way, for its new church.

A number of our young people have come home for the holidays.

The ladies society of the Episcopal Church have given up their meetings till after the holidays.

From the number of Christmas trees delivered one would think and naturally too, that Santa Claus wouldn't possibly have gotten around to all; but he says that his children improved so under the doctor's care that Mrs. Santa did as much as usual in half the time.

It is reported that at the Westminster fair one thousand two hundred was cleared. It goes up a hundred every time we hear.

Mr. and Mrs. Harry Darwin were bereaved of their four hours baby on Tuesday last. Mrs. Darwin is reported to be in a very critical condition. We tender our heartfelt sympathy.

The evening dancing class were sadly disappointed upon reaching the hall last week and finding no sign of a class being held. To say they were slightly provoked is a mild way of putting it. There were a number of new members for the class. The afternoon class is still continued.

The Westminster S. S. entertainment will take place on Monday evening, Dec. 29th.

A little Glen Ridge three-year-old was left by his mamma at the window to watch for Uncle John and Aunt Mary. Mamma said they would "come home soon." Three-years-old repeated "Come home soon," "Come home soon" and added "Wagging their tails behind them."

The ladies evenings at the Glen Ridge Club are highly enjoyed. It is pronounced a fine thing by all who are privileged enough to attend.

It is to be hoped that skating will continue good during the holidays as the full moon gives opportunity to many who are engaged during the day to avail themselves of the pleasure in the evening.

The highest score yet reported from the bowling alley is one hundred and ninety-four.

Glen Ridge is manifesting a great spirit of enterprise. It is now nearly ready to boast of two papers. One needless to say, The Original, the other, The Agents Tri-Monthly, to appear about February (which by the way is considered an unlucky month. Better make it in March.)

The Harry Wadsworth Club will hold its next meeting at Mr. Chas. Campbells.

What is there to keep Glen Ridge from having a pretty park to add to the attractiveness of this already beautiful town. Few places are naturally better situated for it. There is Toney's brook for water and the beautiful glen through which it flows and from which Glen Ridge itself gets its name, could be utalized with the best results? It would be near the railroad and would be seen by many who might be attracted to our town by it. Would it not increase the value of property? beside giving a great deal of pleasure. As the poet hath it "A thing of beauty is a joy forever."

The Christmas entertainment for the children at the Club has been postponed on account of measles, that expression is almost slang now.

After January 1st Harris Bros. Bloomfield Bee-Hive will close at 8 P. M. except Saturday evenings. They have on hand a large and attractive display of new goods. A cordial invitation is extended to the public to call and inspect their goods and compare prices with those of Newark or Orange.

If Your House is on Fire

You put water on the burning timbers, not on the smoke. And if you have catarrh you should attack the disease in the blood, not in your nose. Remove the impure cause, and the local effect subsides. To do this, take Hood's Sarsaparilla, the great blood purifier, which radically and permanently cures catarrh. It also strengthens the nerves. Be sure to get only Hood's Sarsaparilla.
